## SPECIAL CONTRIBUTION FORM

### SPECIAL CONTRIBUTION

#### NELLIE MCKAY GRADUATE SCHOLARSHIP FUND

This fund will support travel and registration fees for graduate students delivering papers on Toni Morrison's work at professional conferences. Nellie McKay was a strong advocate of graduate students in African American Literature at Wisconsin, and we would like to honor her advocacy and her contribution to the Toni Morrison Society as a Board member with this Scholarship Fund.

Amount: \$ \_\_\_\_\_

#### THE BENCH BY THE ROAD PROJECT

This Project is the newest outreach initiative of the Toni Morrison Society, established in honor of Professor Morrison's 75th Birthday. Over the next five years the Society plans to place ten wrought iron benches at historical sites in African American life that are highlighted in Morrison's work and that mark heretofore unmarked sites of places important in African American history. Bench placements will also include educational programs surrounding the site. We will solicit donors from corporations, foundations, individuals and members of the Toni Morrison Society. Your contribution will support the Bench sponsored by the Toni Morrison Society.

Amount: \$ \_\_\_\_\_

#### GENERAL OPERATING FUND

The fund will supplement Society membership fees to support the general operating fund of the Society. The general operating fund supports costs for program management, mailing, supplies, travel, vendor services, and other activities associated with the operational work of the Toni Morrison Society
